2 Corinthians 4:7

But we have this treasure in earthen vessels, that the excellency of the power maybe of God, and not of us.

Dear Praying Friends,

With grateful hearts we are writing to you, just to give you all an update with our ministry in the Philippines. First of all, thank you so much for financially supporting us and consistently praying for us.

This coming October 2018 we will be completing our 10th year of missionary service to our church planting work. It did not happen overnight, and as you can imagine we have many challenges also in the past years, since we started reaching souls in the community where God called us. But with God not giving up on us it's worth it all. Please continue to pray for us and with us, because the more that God is blessing the ministry, the more the devil is not pleased. There are many false gospel churches, rising in our field of work as well. That is why we really need to move forward and continue to "press toward the mark" as a child of God to carry the true Gospel. It won't be long till Jesus is coming soon. I was reading an article about the bitcoin and I am truly convinced that the one world government is almost taking its place. As I have mentioned in our past letters, we started sending out young preachers that were saved under our ministry, (in which you all have a part in that,) to help reach out the other remaining 25 villages with the Gospel last 2016. Right now, we are training more young people in the church to be used by God in any kind of ministry. Pray that God will always give us wisdom and good health so we can accomplish God's calling to us in this community. Thank you so much for investing your resources to reach the Filipino souls. Someday we may not know who will be Pastors, Evangelists, Sunday school teachers etc. that will come out of this ministry just because, you have invested in eternal things. Again Thank you so much May the Lord continue to Bless you all as we serve Him!

Prayer Request:

1. 17 Candidates for Baptism (July 2018)
2. VBS in May 2018
3. Continual funding for the Children's feeding ministry

Children's Feeding Ministry Corner.

We Included another village to our Children's Feeding Program. Thank you for making this possible without God, and the pulling of God's people we cannot accomplish this. To God be the Glory!
