In 1Thessalonians 5:25 Paul simply asked, "Brethren, pray for us." We know that many of you do pray for us. We are extremely grateful for your prayers and support. Thank you! The Lord has graciously allowed me to serve missionaries for seventeen years through BIO. Without your partnership this would not be possible. Nikki and I are excited to see how God will continue to use us serving missionaries together for His glory. We ask you to continue to pray for us.

Dr. Garvin Dykes was a missionary statesman par excellence. The Lord called Brother Dykes home to Heaven on June 25, 2018. He was my mentor and friend for the past seventeen years. He was like a grandpa to Nikki. Brother Dykes is sorely missed. I am thankful for the years of influence in both of our lives. We rest knowing that he is enjoying the presence of our Lord Jesus. Please pray for the Dykes family and pray for us as we continue the work here at BIO.

Thank you, for praying for our annual training school. This was Brother Terry Childer's first year leading the school. It was a good week for the missionaries that attended. They were encouraged and strengthened. Please pray for Joel and Lottie Desir as they depart for Haiti.

Recently I had the opportunity to be a part of a revitalization and renewal effort at New Haven Baptist Church in Summerville, Georgia. Please pray for this church as they begin to grow again.

Autumn is our favorite season. We love the cooler weather and the beautiful fall foliage. Another reason we enjoy fall is that it is also a time when many churches schedule their missions conferences. We will be traveling much this fall to churches. Please pray for us. Pray for safety as we travel and pray that God will use us to stir His people for missions.

Every year we host a BIO Conference in November. This year Rock Springs Baptist Church in Morrow, GA has agreed to host the meeting on November 14-15. Dr. Charles Keen has agreed to be our keynote speaker. The theme is simply, All Nations. Several of our missionaries will be in attendance as well as many pastors. Our desire is to encourage pastors and missionaries in missions. Please pray for us.

There is a ministry opportunity in the country of Botswana. We need a couple that would be willing to serve as church planting missionaries with the Deaf and hearing communities. There are works there now that desperately need leadership and influence. Would you consider going? If not, please pray for us as we seek God for laborers in Botswana.

Thank you so much for your Prayers and Support. We Love You and pray for you!

John 10:16 "And other sheep I have, which are not of this fold: them also I must bring, and they shall hear my voice; and there shall be one fold, and one shepherd."
