A Building of Hope!

Romans 15:4 says, "For whatsoever things were written aforetime were written for our learning, that we through patience and comfort of the scriptures might have hope."

We have been informed that the owner of this facility must sell the building, which we have been managing for the past eighteen months and that does create a big problem for us! Thankfully it is not too big for our mighty God!

The good news is this building, since day one, has paid its own staff, taxes, utilities etc. This is a rare find on the mission field. Thus allowing the operational funds for this ministry to be generated on the field! The goal for this building is to equip the national churches with tools for the advancement of the Gospel, rather than setting up a ministry that can only thrive with the presence of outside funds.

We are currently in the process of raising the needed funds for this property, but we need your help to make this

a reality. You can help secure this Building of Hope. Your support is key to solving this problem.

We have a man from America that is designing a 3D picture puzzle of Mongolia. The seven hundred-piece puzzle will be made of camel hair felt. Any company, church, or individual that donates \$1000 will have their name mounted on a puzzle piece! The puzzle will be mounted in the hallway of this Building of Hope. We would love to put your name on this Mongolian puzzle!

There is no greater JOY then making a difference for the cause of Christ! Lives are being changed for eternity! Your support is key to solving this problem. Please prayerfully consider helping with the purchase of this Building of Hope. You will find a video link below

with a few highlights of what God is doing here in Mongolia! The last three minutes will show pictures of the building.

Speaking at Graduation

We have had the pleasure of teaching an English speaking class at a local college for handicapped students this past year. As the school year came to a close I was asked if I would speak at graduation for a few minutes. June 12th I had the opportunity to speak (with two translators, one translating into Mongolian and the other sign language) to the graduates. I was able to present each them with a Mongolian New Testament. God is good!

The Calvary Is Coming!

After a recent trip to Khatgal and putting on what we had hoped would be the mystery solution to the problems we have been having with the feeding system, help is now on the way! PRAISING THE LORD for an experienced pressman that will be arriving in country on Monday August 20th. Shortly after this a man experience in equipment repair will be coming. Please pray as these men use their press knowledge for HIS honor and glory! Pray the press will be printing Gods Precious Words soon!

Update on the Printing Press

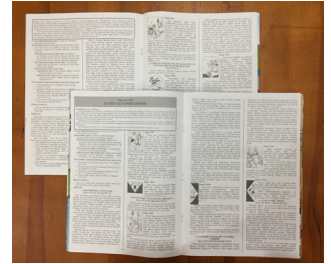

God is good to us and the printing press is busy. Over the past few months we have been working hard printing Sunday school materials.

We are in the process of producing a seventy-six book series of Sunday school lessons to help teach the Mongolians the truths of the Bible. Each book is A4 size and has sixteen full-color pictures along with the story written in the Mongolian language.

Pray that this series will help bring the Bible to life for many young Mongolian Christians! Please pray for the salvation of the Mongolian people!

*Matthew 19:14 says,
"But Jesus said, Suffer little children,
and forbid them not,
to come unto me: for of such is the
kingdom of heaven."*

Galatians 6:2 says,

"Bear ye one another's burdens, and so fulfil the law of Christ."

Our burden is to give the Word of God to the Mongolian people and by doing so, add a light to their lives.

Pslams 119:105 says,

"Thy word is a lamp unto my feet, and a light unto my path."

Pray With Us About A Digital Press!

It has become obvious to us that we need a digital press. We are getting a high demand for short run literature like Bible college curriculum, educational material, commentaries, etc. These are not materials you will run thousands of. These materials will be done in runs of hundred pieces or less. To make this cost effective we need a digital press.

If you are interested in helping with this need, please email me at: batamissioninternational@gmail.com. The price is much lower than you think. Your help is needed.

Do you ever get in the place where you desperately need answers and to just must make a decision but can't decide? Why is it that we don't turn to the One that has all the answers, and no, it's not mother? For me over the last year I've been deciding which college I'm going to, what I'm going to study, and what church I'm going to attend. These are big decisions that I've had trouble making. I've sought the counsel of parents and grandparents, pastors and mentors, professors, and even future classmates! Though their wisdom is beyond valuable, they don't have all the answers I need. God is the only one I can ask and know his answer is perfect. But here's the thing, I haven't always been asking. Why not??? To quote Jesus in Matthew 7:7 "Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you:". I feel like this verse is almost over-simplified in how plain and direct it is. If you ask for an answer, you'll get one!

Is it that it seems too good to be true? It's certainly not because Jesus has never steered me wrong! I'm trying to do whatever God wants me too so I'm not afraid of his answer. Whatever the reason, it shouldn't be strong enough to keep me from asking God.

I believe we miss out on many blessings and make decisions hard on ourselves for the simple reason of not asking! Though we should! God wants us to ask of him! He longs to hear from us and delights in our requests that are asked in His name!

I challenge you to ask of God. Maybe you are having trouble with a decision. Ask Jesus to make it clear. Is your ministry lacking something that may not even be necessary? Ask God if He'll provide it. I'm praying that God will help me pay for college and provide me with a car, but only if that's what God wants for me.

Today, ask of God, for God, in God.
