

THE ROUSE REPORT

REVELLINGS IN THE WORKING OF GOD

Jan & Feb, 2019

The Christmas season has ended, but in God's economy, His gift giving continues on. John 7:38 - "He that believeth on me, as the scripture hath said, out of his belly shall flow rivers of living water." It just keeps coming.

Robin has seen in the last two weeks how God has answered her desires in just simple daily things: finding a nice jacket and a pair shoes at amazingly low prices. She has seen God give her an opportunity to guide and encourage some ladies. We saw the Lord have mercy on our daughter, Christina, who on Christmas Eve was discovered to have a serious kidney infection, and today (Feb.7) the kidney stone she carried was finally removed. In the midst of hurt and loss, God gave me comfort. My uncle Rodney died on January 29th, concluding a series of complications after a heart-valve replacement surgery. Two years ago when he had the heart valve repaired I was able to talk with him about salvation and his relationship with God. He made a conscious decision that day to trust Christ as his Savior. Amen!

Soul-winning blessings have been given.

but did not know Christ as Savior. God opened his understanding and gave him repentance and faith. At the end of presenting the gospel, Homero trusted Christ for salvation!

Others to pray for are Goutham (an Indian), Anthony, Miranda, and Freddy.

In December, I traveled to Managua, Nicaragua, where we conducted a Fires conference. Around 60 pastores attended and seven brethren surrendered their lives to serve the Lord full-time. We almost did not have this conference because of civil unrest earlier last year. In January, God gave me the blessing of participating in our conference in David, Panama. I was privileged to speak nine times. More than 1000 attended at night, and fifteen folks surrendered for full-time service. An amazing spirit was among the people. Pray as I go to Peru for the first time in the first week of March. Another first God is giving me is to participate in our conference in Ecuador the first week of April. We are excited about these blessings.

One other item to note; God is giving me the open door to teach a class on Suicide Prevention at our Military Entrance Processing Station (MEPS) here in Knoxville. Please pray as I prepare and teach. It will be on March 1st. We thank God for you all and for your faithful, fervent prayers.

Gratefully yours,

Victor & Robin Rouse
