

THE ROUSE REPORT

REVELLINGS IN THE WORKING OF GOD

Mar & Apr, 2019

God is doing His work in this world, despite what you might be seeing or reading or hearing in news reports. This was shown to me through my recent travels. Venezuela has had much attention over the past year. The conditions there are very difficult and will test your Christianity. More than a million have migrated to other countries to find hope and relief. I saw some of them in Peru and in Ecuador. I met some believers

in Peru that are trying to start a new life and could attest to the horrendous affliction in their homeland. But one couple told me that God is using this trial to humble and work in the hearts of the Venezuelans. There are many that are coming to Christ (in the country and out of the country). In fact, a couple of our Fires team members went to Venezuela this last month. They saw a very good crowd of people. There were many salvations, and even some that surrendered to serve the Lord full-time. The hosting pastor said that if we were to have a full-blown Fires conference, we would easily have over 2000 in attendance.

In Peru in March, I and Pastor Salazar sat down with three pastors from the Cusco area of southern Peru. They expressed their desire for Fires to hold a

Conference in Peru

conference there because there are nearly 200 churches around Cusco, a majority of which are churches of Quechuan believers. They need the teaching and training. The pastors expressed that these people want to grow in their faith and evangelization efforts.

Then, this month while participating in our conference outside of Quito, Ecuador, a pastor and his assistant (who are from Peru) pleaded with me that we consider having a Fires conference in the northernmost part of Peru. He said that there are nearly 300 churches in the northern province, but they are dying. They are not moving forward the gospel and are not training soul-winners. He said, "What you folks bring (in Fires) is just what these churches need. I want to see something happen to help them." Pray that God will give us wisdom to hold conferences where He knows best.

Pastors in Conference in Ecuador

Before this conference in Ecuador started, God gave me the opportunity to preach at the Fundamental Baptist Church in Riobamba. Several were saved and baptized. God is using Pastor Victor Gallo and has given him a vision for impacting central Ecuador. Beside all that he is doing in Riobamba, God has given him a ministry into the jungle as well. He has inroads with the Huaorani and Shuar peoples and has started new works.

I led this Haitian to Christ in Ecuador.

Thankfully Robin and I are doing well, and look forward to participating in the Fires conference at the home base in Bartlett, IL in June.

Praying for you,

Victor & Robin Rouse
