

# THE ROUSE REPORT

REVELLINGS IN THE WORKING OF GOD

July & August, 2019

At 34,000 feet above the mountains and valleys of South America, I write you this report. I am on my way home after preaching a conference on the home in Santa Cruz, Bolivia. God met with us. Couples came to me expressing their sincerest gratitude for challenging them with truth about raising their children. One wife and mother told me that she now understands why her husband has been firm with their children while she has been hesitant to his effort. One young man who is engaged to get married was terribly doubtful that he could ever be a good dad, being that he did not grow up in a home with a dad; therefore, never having experienced a good example of fatherhood in his family. We talked and prayed, and God took away his fear.

The church is probably the biggest independent Baptist church in Bolivia. I preached in the 7:15am service, taught Sunday school to a class of men, then preached in the 10:00am service. The combined attendance for the services was over 650. God touched hearts during the week, and there were several saved in the services. THANK YOU for your prayers!!

The Pastor of the church is Andres Velasquez. He has an awesome heart for his people and his city. He is a leader. I can see that his life and ministry will be greatly benefited if he could attend our special pastor's conference to be held next year in June of 2020. I would like to see him experience this. If you would like to help me get him to this conference, please send donations to my work fund #7660 at our mission agency. We will need about \$1800 total to get him to the conference and back, along with meals and lodging.

Robin and I participated in the conference at the home base in Bartlett, IL, last month. Hundreds attended the conference, and God worked in hearts about our spirits and attitudes. Also, there were several that surrendered to serve the Lord full-time.

As you receive this letter, I am in San Luis Potosi, MEXICO. We are having our biggest Fires conference of the year there with the theme, "Striving Together for the Faith". There should be more than 3000 people attending this conference. Please pray that God will pour out His Spirit upon His people in a miraculous way that will bring Him glory and result in thousands of souls being saved.

The week after this conference we will have a conference in Belize for the second time. It was new last year. Then, the third week of August we will have a brand NEW conference in the Philippines. Four of our speakers will be going. Please pray for these coming conferences.

I would also appreciate your prayers for my health. It was confirmed some weeks ago that I have high blood pressure. We are making some diet changes, and I have started a natural form of treatment. We are trusting the Lord that we can get this corrected.

So thankful for you,

Victor & Robin Rouse
