

THE ROUSE REPORT

REVELLINGS IN THE WORKING OF GOD

March & April, 2020

Recently, I read an article about an area in Africa that was experiencing horrendous damage from a plague of locusts. The devastation is unreal. To think that on top of that to add the coronavirus pandemic. Life can be very, very difficult. The Jews in Exodus had first hand knowledge of what it was like to live through plagues. And how interesting that even though they continued working during some of the plagues, there came a time when God wanted them to hunker down in their homes (thankfully, not for months). I would like to present a question to you in the midst of our plague: What is your place in the plague?

Preaching by internet

Israel was right where God wanted them to be. They were under a heavy-handed dictatorship. Life was excruciatingly painful...but God was working. Through the plagues God showed Himself to be God, and God made a clear distinction between His people and the ungodly world. Obedience and humility were key to God being glorified. May God be glorified in His people in this time.

Robin and I were blessed to be a part of a missions conference in Kingsport, TN, and a missions emphasis Sunday in our supporting church in Land O'Lakes, FL, before the stay-at-home guidelines were given. God blessed, and they were good meetings. We are so grateful that Bible Baptist in Kingsport has decided to take us on for support.

For Easter Sunday, I was invited to preach at a Spanish-speaking church in Knoxville for Pastor Selvin Escobar. It's a different feeling preaching to an internet audience than to a crowd of folks looking at you.

The pandemic has severely affected our conference ministry. Conferences in Venezuela, Mexico, Ecuador, and South Korea have all been cancelled. Pray for the ones still on the calendar for the coming months. Our director, Elmer Fernandez, and I are praying about some new possibilities of far-reaching potential because of this. We will try to keep you posted. Meanwhile, please know that we

are praying for you; praying that God will keep

you healthy and safe, and to provide amazing opportunities to give the gospel.

Yours for His sake,

Victor & Robin Rouse
