## REVELLINGS IN THE WORKING OF GOD

May & June, 2020

In our last letter, we mentioned a possibility of something that may have far-reaching potential. That potential is looking to become a reality this next week, June 22-25. Our founder and director, Elmer Fernandez, along with Andy Gomez, decided that we needed to change our planned "Vision 2020" conference in Indiana next week to an online, virtual conference.

*Preaching my message for conference next week*

So we have been working feverishly last month and so far this month to prepare for this special event. We have also changed the theme of the conference to "Revive Thy Work in the Midst of the Years". Obviously, it is a conference to challenge Christians about their walk with God and their testimony to a dark, troubled world.

There is evidence that more than 50,000 people could be reached and influenced by this online conference.

Please pray with us that God will work wonderfully and amazingly in His people throughout the Spanish-speaking world. If you know of any Spanish-speaking folks, please encourage them to find the conference by going to [firesofevangelism.org](http://firesofevangelism.org) or [pibhammond.com](http://pibhammond.com) or they can look for it on Facebook Live or Youtube.

Because of some states opening up, the Lord gave us the opportunity to participate in a missions conference in a Spanish-speaking ministry in Alabama that we previously had scheduled for April. God blessed. Folks were challenged. The pastor informed me that the folks gave a good response for their faith-promises. Pray for Carlos. He is a man that my wife and I met the other day and had the opportunity to give him the gospel. He knows that he is not saved and needs God, but would not make a decision for Christ at that moment. Also, pray that our project "Multiply" (printing a booklet in Spanish about bearing fruit) will be completed shortly. The text has been proofread, corrections made, and also a cover designed. We are praying that God is blessing you and using you to minister to His people and to further the gospel despite the challenges we all face.

Thankful and still rejoicing,
