August was a good month. We traveled to North Carolina and were able to spend some time with our family and friends. It was a blessing to be able to present at the church one of our close friends recently started pastoring. It is always great to see them. The rest of our time was spent in the southern Indiana and Kentucky area.

In September we had three meetings scheduled. However, two of those were cancelled/rescheduled. I, Mike, had an opportunity to give a devotion at a men's retreat later that month. It was a good time of fellowship.

Even though the meetings have been lacking, God is still in control. Two new churches have taken us on for support. I came across this quote a while back, "Gauge your progress by obedient effort, not by evident results." I believe this is something Christians every where need to apply to their lives during these changing times, especially us missionaries.

Monthly Prayer Requests

- **Book meetings**
- Increased support
- More couples to surrender to Suriname
- Reschedule work teams for 2021
- Progress smoothly and quickly in fostering-to-adopt

On a family note, we are coming up on the six month review of our fostering to adopt. It seems that we will be able to move forward at this time with changing the goal to adoption and begin that process sometime around the end of October and beginning of November. Please pray that there are no surprises, and that everything is able to move forward smoothly and quickly.

Thank you all for your faithful prayers and support!

For HIS glory,

*The Kelley Family
Mike, Danielle, Abriona, Donovan, Lael, and Liam*
