

# The Kelley Family MISSIONARIES TO SURINAME

December 2019 and January 2020

We have been very grateful for everyone’s prayers these past few months. Since Thanksgiving, sickness has not left our home. So far only Mike has not gotten sick. There have been several meetings Mike has attended solo because Donovan, Lael, Danielle, or a combo of all three was sick. Please pray that Mike continues to stay healthy and everyone else begins to improve.

Christmas this year was spent in NC with Danielle’s family. If we have another Christmas in the U.S. we may need to get a bigger vehicle for all the presents that Donovan and Lael receive. While we were in NC we were blessed with the opportunity to present our burden to reach Suriname with the Gospel in a local church. No matter where we go we are missionaries.

During December and January we tried to keep our meetings local for the exception of Christmas and a missions conference in Missouri. This ended up working out great for our family because of illness. GOD is amazing that He worked out our schedule like that.

We have our dates for work teams in Suriname finalized. There will be two different teams going down, one following the other beginning the first week of October. We are praying that God will raise all of our support by then allowing us to go ahead and move at that time. We are stepping out in faith and working on preparing everything to move by then.

Something that has really encouraged and challenged me in regards to my faith, our support, and getting to Suriname is a quote from George Muller, “Faith does not operate in the realm of possible. There is no glory for GOD in that which is humanly possible. Faith begins where man’s power ends.”

Thank you all for your faithful prayers and support!

For HIS glory,
