

Project Win Honduras

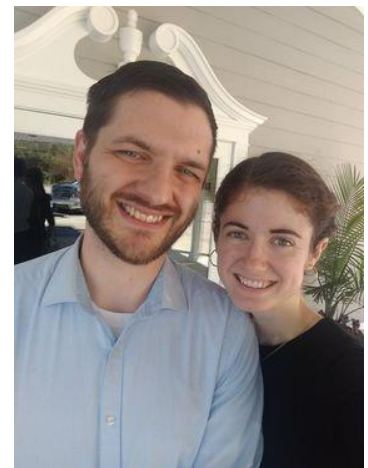

Church-Planting with a Vision for the Future

*...he that winneth souls
is wise.
Proverbs 11:30*

God blessed us with 10 meetings and mission conferences for the month of October.

Amber and I traveled over 6,000 miles in October, going from our home state of Georgia to Florida, South Carolina, Ohio, and Texas. We enjoyed greatly all of the fall colors up in Ohio and had great times of fellowship with churches there. At some of the churches, we had the opportunity to talk to some young people who are interested in missions. Pray continually that God would raise up more missionaries.

My wife got to see Texas for the first time. I made sure we took the opportunity to get some authentic tacos. I almost felt called to Mexico, but don't worry; we later went to a Honduran restaurant. Amber got a tamale and a baleada, which is a Honduran classic made of a flour tortilla with beans and cheese, eggs, avocados, and meat, and I got a large piece of fried chicken with plantain chips. So God has reaffirmed our calling to Honduras. We had an opportunity to talk with some of the workers at the restaurant, and one of them is a pastor of a Spanish church in that area of Texas. While it was wonderful to have some greatly missed food and talk to Hondurans, we are eager to get back to Honduras to plant churches and make disciples.

1 Preparing for a wonderful conference in SC

2 Participating in street preaching and singing in TX

Well, after all that time spent traveling in October, we are glad to be back home in Georgia. God has blessed us with another full month, with 15 churches on our schedule, but we are also glad that our travels will not take us so far from home in November.

We also want to thank you for praying for Amber during her pregnancy. Morning sickness has all but subsided, and she has an appointment in a couple of weeks where we will discover whether God is blessing us with a boy or a girl, so stay tuned!

Serving Christ,
Andrew and Amber Garcia
