**Sat June/12/2021-** Miss Lisa and I picked up more supplies from my Father in Laws old House that we were using as temporary storage.

**Mon June/14/2021-** I picked up a small bed and other supplies from my Sister Twyla Dirden's house, good to spend time with her and Gilbert her husband. **Mon June/21/2021-** I put together a hand tow truck for moving trailers and washed more clothing and bagged up more clothing.

### **WORD FOR THE WORLD-**

**Tues June/22/2021-** Miss Lisa and I left Detroit to head to our Missions Board Meeting in the Rossville Georgia, Chattanooga Tennessee area. We had a gas station break in Covington Kentucky that turned into an Evangelistic Campaign to Homeless folks there. We stayed in Kentucky that night and Miss Lisa was a bit displeased that I was listening to Brother C.T. Townsend under the tent a bit too loud but the other customers at Cracker Barrel were O.K. with it!

**Weds June/23/2021-** We stayed in Chattanooga proper as the meeting had been moved over to the Calvary Independent Baptist Church there. It was a great meeting I was allowed to sing and Brother Charlie Andrews preached "What David Did To Get A HEAD!" J

**Thurs June/24/2021-** I was allowed to sing again that night and Brother Charlie Andrews was the main speaker again.

**Fri June/25/2021-** Headed home and drove from Chattanooga Tennessee to Lima Ohio thinking everything was normal.

### **DETROIT'S FLOOD-**

**Sat June/26/2021-** We were driving that last stint home when Linda our neighbor called to tell us we had a huge flood in our area. We had a Back Water Valve put in back in 2010 during our last flood. We were sure the flooding would not affect our houses basement... We were wrong, the water was not as deep but it soaked the carpet and soaked upward into the drywall. UGH!

**Sun June/27/2021-** We had rented a U-Haul trailer because all of our ministry trailers were full we moved Miss Lisa's "Great Wall of Toilet Paper" over to our U-Haul storage units.

**Mon June/28/2021-** We made another bold move by renting another rental storage unit about the size of a Mobile Home we went back and took more "Stuff" from the basement into this unit.

**Tues June/29/2021-** I hauled so much stuff out of our basement it was just scary.

**Weds June/30/2021-** I tore my old office out of the basement, I had not used that corner in years but between busting up my old desk and so many of my books getting wet, it was extremely sad and tiring.

This was both a great and terrible month, I am used to picking up and laying down bags and we have to rent dumpsters all the time but it was an added Bummer throwing things away that I had planned on taking with me when I retire some day, Thankfully

Miss Lisa doesn't have problems with throwing things away but this was a bit rough on me.

Keep us in your prayers!

Love Y'all!
