

DEAR PRAYING FRIENDS & FAMILY,

NOVEMBER 2021

Tommy is officially (secularly) **JOBLESS!** By God's grace we are able to say this with excitement in our hearts & smiles on our faces. Praise the Lord! It sounds like it should be more of a prayer request than a praise, but as you know, this is what we have been praying for since Tommy gave his notice 6 months ago. Thank you, thank you so much for praying with us. Tommy was officially done working as an Infrastructure Architect on October 25 while we were attending the Missions Conference at Campus Church at Pensacola Christian College, where he graduated with his Software Engineering degree 12 years ago. God truly orchestrates beauty & shows He has a sense of humor!

This past month we were blessed with 5 new supporters! We were invited to present at Lighthouse Baptist Church (Ludington, MI) under Pastor Brian Blount, New Beginning Baptist Church (Waterford, MI) under Pastor Jeremy Leonard, Lighthouse Baptist Church (Saginaw, MI) under Pastor Karl Griffiths, Southwest Baptist Church (Brunswick, OH) under Pastor Greg Davis, Chapel at Springfield Christian Academy (Clarkston, MI) under Pastor Todd Vanaman, Mount View Baptist Church via Zoom (Hesperia, CA) under Pastor Rick Stonestreet, First Baptist Church (Seaford, DE) under Pastor Barry Secrest, Pickerington Baptist Temple (Pickerington, OH) under Pastor BJ VanAman, & at Campus Church (Pensacola, FL) under Pastor Jeff Redlin.

At the bottom, we continue devotion page with the girls. Tommy has Lucy write a summary, Aleena an application, & Ellie an "illustrative interpretation" from a 6 year old's perspective. We love sharing them with you!

PRAISES & PRAYER REQUESTS

1. During there Missions Conference at FBC in Seaford, a family we invited to church while door-knocking, came to service that night. The father was saved, but had not been in church for a long time. He spoke with Tommy after church & said He was convicted to now be faithful. This same night, a 96yo gentleman walked the aisle to be saved!
2. "He Is Worthy!" This was the theme of the Missions Conference at Campus Church. The closing ceremony was quite literally indescribable. The culmination of events that led to the alter full of students & people dedicating their lives to missions was something that only could have been done by God. Tomorrow is not promised, but God is still calling **MANY** to missions **TODAY!** And we are so excited about it! We are praying God will strengthen their burden for missions & possibly call someone them to the Philippines, working together in the future! What potential they have!
3. Please pray that our vehicle holds up & for continued safety as we travel. We are nearing 140k miles on our minivan.
4. Also please pray that the Lord gives us opportunity to witness more throughout deputation.

There are far, far better things ahead, than any we leave behind." -CS Lewis
