Peter Doolittle UPDATE

WE ARE BACK IN BRAZIL!

Our Trip!

It is amazing to see God work in so many ways! Here are just a few of God's answers to prayers.

- ◆ We were able to sell our minivan to a lady that flew in and picked it up at the airport.
- ◆ When we got to the airport, we still didn't have a printable covid test result for Kevin. Zirlene's and mine had come but not Kevin's. As we tried calling and asking around, God put a man there at the check-in counter to help us. First, he provided us with the number of a clinic that would come and do the test on the spot with quick enough results so that we would not miss our flight. He then proceeded to help us get a discount on our excess baggage, and was truly there to help us in every way.
- ◆ When we arrived in São Paulo, God provided two young men to help get us and our luggage through customs and checked back in for the national flight.
- ◆ Once we had the luggage sent through, it was discovered that we had been rescheduled to be on a different flight leaving at 3p.m. rather than the 9:35a.m., but our luggage was on the 9:35a.m. flight. They said there was no way that they could get us on the morning flight. This was sad as everything was planned for our arrival and lunch was being prepared with family and friends. Then God came through again when I asked again, and I was pointed to a young man that I could talk to. I did, and he acted like it was his personal responsibility to get us on that flight. Praise God, this young man was able to get us on that flight.
- ◆ We are now home and will spend this week getting back in the swing of things as well as getting reacclimatized as it is currently about 85 degrees.

Thank you so much for your prayers. May God continually bless each of you.
