

THE TOLIBAS FAMILY Missionaries to the Philippines

January-March 2022

Dear Praying Friends,

We have been in the Philippines since 2018 after our furlough 4 years ago! But God never cease to amaze us with His Provision and Protection. We personally saw the Lord's blessing every time we see souls getting saved, and see the transformation of the folks over here in this island. Truly the word of God is not bound.

We are very excited to announce to you that the new church mission work that we presently started, is already 7 months old and growing. We are praying to celebrate our 1st year Mission anniversary on August 2022. There are challenges in the part of sharing the Gospel in this area, because most of the people here are devoted to Catholicism and 30% believes in Islam but I am rejoicing all the time because the word of God is shouting aloud that the only way to Heaven is no other than the Lord Jesus Christ. Plus NOTHING MINUS NOTHING! Not of works lest any man should boast! (EPH.2:8-9 KJV)

As of January to March, many folks trusted the Lord Jesus Christ in this area and follow Christ on water baptism, although due to pandemic, we have to minimize the folks going to a rented pool to conduct baptism, because of the strict protocols of the local government.

The children's and feeding ministry is also growing. We already have 8 village locations as of the moment. What we do in this ministry is to present them the Gospel first, teach them how to read the Bible, teach new Christian songs, and feed them. Because 70% of the children here are suffering from malnutrition. Some of them only eat once a day or most of the time not at all. That is why we appeal if you can still help financially with any amount is always a big blessing to these children.

Again, Thank you all for your faithful support of this Ministry in Finances and Prayers.
