## July & August, 2017

Reading is an essential to our lives, and books have been a great source of rebuke, instruction, enlightenment, and challenge. In my current reading (still trying to finish Stephen Charnock's work on *The Existence and Attributes of God*), the patience of God is the focus. Without a doubt our good God has repeatedly tried to help us imitate

*Fires Conference in Bartlett, IL*

Him in this aspect. Not achieving our goals or desires; people failing to provide their intentions; and troubles of lack of provision or equipment needing repair have been tools with which our Lord is machining this quality in us. May patience have her perfect work in us and praise to our God never cease.

Robin and I want to thank you all for your thoughtfulness, prayers, and support. God uses it to encourage and sustain us!

We continue to have meetings trying to get our support level up to the indicated amount by our mission agency. We are at about 50% of that. Please pray that God will continue to guide and provide for us. I attended our B.I.O. Missionary training week in July to make sure that I am still up-to-date on opportunities and processes.

We had a very blessed meeting in May in a church in Knoxville. We had two good ones in July and look forward to three more in August. One church in North Carolina and one in Denver, Colorado, took us for support in the past two months. AMEN! Thank you all so very much.

God blessed our Fires conferences in Bartlett, IL, and in Santo Domingo, Dominican Republic. Hundreds were in attendance in each. Pastors were encouraged and challenged. Many brethren surrendered for full-time service. Our next one begins August 7th in Mexico City. It will be the biggest conference of the year. It will not surprise me if over 4000 people from all over the country of Mexico attend this one. Please pray much. I so much look forward to participating in our conference in Bolivia in September, Lord willing.

As mentioned in our last letter, we have a vision to expand our training ministry. We have been able to get some needed equipment and have begun to digitize materials to be used online. Pray that God will continue to provide manpower and resources to develop this program.

Meanwhile, "give attendance to reading" and let's continue to further the gospel.

Victor & Robin Rouse
