Amos 8:1 says, "Thus hath the Lord GOD shewed unto me: and behold a basket of summer fruit." This summer fruit that the Lord showed Amos could not be preserved. It was ripe. It had to be consumed immediately. This summer the Lord has given us opportunity to minister and bear fruit—opportunities that cannot wait, but that are immediate, for this summer.

Traveling

The opportunity to minister in mission conferences usually happens in the spring and fall. In May I was blessed to be the keynote speaker for Faith Baptist Church in Palm Bay, FL. It was a great week! Faith Promise was reinforced. The church sent one of their own to plant a church in Tacoma, Washington. The Lord was working on one young lady's heart to be a missionary, and I was invited to preach in Haiti next year.

I was also blessed to be able to preach again at Gum Springs Missionary Baptist Church in Lawrenceburg, TN.

Our tickets are purchased. My daughter Amber, Jeremiah and I will be traveling to Indonesia and the Philippines at the end of summer, September 12-26.

 While we are in Indonesia we will be ministering at an orphanage on the island of Sulawesi. Amber's nursing skills will be a blessing, and I will get to be a part of an ordination service for a national pastor.

On the way back we will stop in the Philippines for a week. There we will be able to minister with two of our BIO missionaries. Please pray that the Lord will use us as we travel this summer.

Training School

We just finished our annual missionary training school. Thirteen of our hearing and deaf missionaries were in attendance. They represent countries in North America, Latin America, Africa and the Middle East. Some of these missionaries were new to BIO. We praise the Lord that He is calling and sending missionaries through BIO.

This week our missionaries were edified spiritually, encouraged emotionally and enlightened practically.

Thank you for your prayers for this week. We pray that this opportunity bears fruit beyond summer.

Thank you for your partnership with us in prayers and support. Our prayer for you is that the Lord give you opportunity to bear summer fruit!

- Aimee will begin her internship at Pensacola Christian Academy in August. She is an elementary education major and a senior this year at PCC.
- I have all of Jeremiah's books for the next school year. He will start 8th grade in August. This is our 2nd year homeschooling.

THANK YOU SO MUCH FOR YOUR PRAYERS AND SUPPORT. WE LOVE YOU AND PRAY FOR YOU!

John 10:16 "And other sheep I have, which are not of this fold: them also I must bring, and they shall hear my voice; and there shall be one fold, and one shepherd."
