

# Merry Christmas!

November & December, 2017

You probably have heard the little jingle, "It's the most wonderful time of the year." Without a doubt, this is a joyful time of the year when we think of others, spend time with family, express our love for each other and for our God, and acknowledge with gratefulness that "God so loved the world, that He gave His only begotten Son." But is it the "*most wonderful* time of the *year*"? With God, the most wonderful time of the year is anytime that one enjoys His blessings, walks in His presence, revels in His Word, and does His will with joy. To be used of God at anytime anywhere to help anyone come to know Him and experience forgiveness and salvation....ahh, that is "wonderful"!

God is amazingly wonderful! Though we have had several months this year when our support income was a bit over half of what normally comes in, God has squeaked us by through different means He chose. I have been working through October and November to get more meetings and get our support closer to goal level. We had good meeting in Birmingham, AL. The church there voted to take us on for support! I have meetings lined up in January and April, and I am working on some others for March.

Then, you are wonderful. You have given and given and given again. You have loved on us and prayed diligently for us. Robin and I want to say "THANK YOU"!! We cannot do the work God has planned for us to do without your love, prayers and faithfulness.

God has been working in our Fires conferences. Since my last letter, we have had conferences in Honduras, Mexico, Guatemala, Argentina, El Salvador, and Chile. Over 124 pastors have attended, at least 44 salvation decisions, and more than 64 brethren have surrendered their lives to serve the Lord full-time. Next year looks to be bit busier with a total of 22 conferences scheduled. A couple of these are new: Belize and a second conference in Argentina. Our New York City conference will be in a new location in 2018: Bayshore, NY. Please pray with us for God's power, blessing, wisdom and life-changing influence in these conferences.

We trust that you had a very sweet and restful Thanksgiving. Robin and I wish you a very merry, but very blessed Christmas filled with God's presence and peace. We are praying for you.
