

The Tolibas

Missionaries to the Philippines

Dear Friends in the Ministry,

Merry Christmas!

Gwen, Jamison and I want to wish you a very merry Christmas and a fruitful new year, God has been so good to us as we endeavor to expand our vision and ask Him to increase our passion for the Filipino souls. The Bible says "wait on the Lord" which does not mean we are to be idle! Jesus taught us to work while it is yet day! We want to take this opportunity to express our gratitude for your interest in the Filipino people and your faithful support is really appreciated.

Bible Students

we are so privileged to train young people to serve the Lord in the ministry. Please pray for them as they prepare themselves to plant churches. Some of them especially, the ladies will be missionaries, helping out local missionaries in the children ministry in other villages. also We have 8 more young people graduating in Senior in the next 2 years, that surrendered to the Lord to be a missionary to other villages and willing to study in the Bible School. Pray that their hearts desire will remain intact, when that time comes. Right now we are discipling them in our church.

Services

By the grace of God, He is still in the business of saving souls in our church, we are growing in numbers not only that, but also spiritually. We have several families joining our church and had Baptism line ups this coming months, pray that we can shine the Light of the Gospel in this community and to other villages. We still have 25 more villages to reach with the Gospel. Without God and without God's people praying for us, we cannot make it. Again, Thank you all for your sacrifices and love for souls in the Philippines. We love you all and make mention of you daily in our prayers. Until then,

Bro.Darwin, Gwen and Jamison
