

Acts 14:22 Confirming the souls of the disciples, and exhorting them to continue in the faith, and that we must through much tribulation enter into the kingdom of God.

Praises:

1. Through the grace of God, several attenders have endured hardships in their lives. (Injury at work, poor health, trouble with neighbors.) They have grown and are learning to cleave to the Lord and not try to fix everything on their own.
2. My partner Paul Muyanda has received some new support to continue the ministry work and head to Malawi! He also will coach the Deaf Zambian cycling team for Deaflympics from July 17-26. Pray for him to have the opportunity to share the Gospel among the team and the nationals in Samsun, Turkey.
3. We received a lot of rain this season! It extended into the middle of this month, and below is a picture in Lusaka of the hail they received that piled up like snow! It was the first time for many of them to ever see anything like that here!
4. Our daughter Tina's mission trip to the Northwest of Zambia has been fully funded. Thank you to all who donated! She is excited!

Tina's Trip

Tina will be joining with SET Centers, and our friend Cyndi Lilya this July to help train teachers in the bush. They focus on using things they can find around them to make lessons.

They will also be working with the children at the schools, and having meeting with teens, as well as packing up and distributing some resource materials packets for the teachers.

We're excited for her to have the opportunity to see God work in her life on a mission trip! Please pray for her to be open to being used however God sees fit for His glory.

Prayer Requests:

1. Continued weekly discipleship with several men: Sonny Lungu, Evans Sakala, Beaven Mwiinga.
2. Magwero School is opening for the second term this week. I look forward to getting back to the students and teaching them God's Word.
3. Upcoming trip to Malawi with Bro. Paul sometime next month.
4. Brother Paul's wife Ethel is expecting their second child. Please pray for her health, as they have had some complications in the past.
5. For my wife to interpret for the Deaf men who will attend a discipleship conference here in Chipata in July.
6. We are praying about purchasing a second vehicle. Since the accident in October last year, a spare is essential living here.
7. Please continue to pray for my mother's salvation.
