Dear Rev. Blount & Church:

**Greetings to you from my home in Weatherford, Texas!!!** I trust that all is well with you. I thank you for being a very vital part of my blessings. You make it possible for me to continue to do the necessary things in this life and continue to serve our Savior as He directs.

The Lord allows for me to witness to someone almost daily, if not by phone or outside of my home. What a joy that is!!! Some are coming to church, for which I praise the Lord. **He is still in control and does answer prayers.**

So many times I am reminded of a man named John Chapman, known as "Johnny Appleseed", a US Pioneer and hero of many legends in the 1700 and 1800's. He settled in the Ohio River Valley, traveling widely over the country side to plant apple seeds and prune the young trees. We are still blessed with his contribution of apples today. As born again Christians, we are to go and sow the seed of God's Word to the world and then nurture the new born souls in God's family. What a wonderful privilege we have!!

Thank you for your love, support and prayers. I continue to praise the Lord for you.

In His Name,

Mrs. (Fred) Joan Vaught
