2 TIMOTHY 2:13 IF WE BELIEVE NOT, YET HE ABIDETH FAITHFUL: HE CANNOT DENY HIMSELF.

## PRAISES

1. Our daughter Tina had a wonderful experience being with Cyndi and her team in the Copperbelt. God stretched her faith and she feels confirmed in her decision to go into social work. Please pray for her as God leads.

2. We had a wonderful time in the Copperbelt with safe travel to and from the conference at Kafulafuta. Julie and I were both able to teach, and it was a real blessing to be involved. Julie also had the chance to interpret a lot which was a blessing to the Deaf.

3. Julie and I spoke with two young Deaf ladies at the conference, and they gave their lives to Christ. It was a real blessing to see them understand His gift of eternal life!

4. It was a blessing to be with our supporting church people from FBBC Blue Springs, MO. They were a great encouragement to us!

5. Also while in the Copperbelt I was able to make relationships with key leaders, and we have kept in touch. I have been able to send Gospel books to them and encourage them in the ministry.

6. The Deaf in Chipata continue to be faithful despite challenges and tribulation.

7. It has been a blessing to see our family grow in Spirit as we focus more on family devotions and personal growth.
