**MINISTRY NOTE:**

After a brief pause in conferences because of the holidays, Fires of Evangelism quickly started the year with a conference in

Panama City, PANAMA, January 8-11. We had 21 pastors in attendance. Over 300 folks attended the daytime sessions, while nearly 700 folks came at night. The conference had the theme: "To All Nations". There was repeated message challenging the Panamanians to have a vision for world evangelization and the pastors to develop missions programs in their churches. By the end of the week, 17 folks surrendered for full-time service.

Please plead their cause and their comfort before our Lord in this tragic time.

**FAMILY NOTE:**

Pray for favor and blessing as we seek to explain our ministry and preach truth in churches we visit. The other week I made over 120 phone calls. Last week, I added the information of another 300 churches to my database. Also, Robin and I had a good meeting with good folks in Flintstone, GA and in a couple of weeks, we will be in a church in White House, TN. Our South American director, Pastor Salazar, informed me that his church will be taking us on for support starting next month. Praise the Lord!

Other super good news of God's working! Our youngest daughter, Christina, who got married last year, is expecting! Woohoo! We get to be grandparents for a third time. We are so excited for her and her husband Enrique.

Your missionaries,

Victor & Robin Rouse

Not only did I get to participate in the conference, but I was also privileged to speak in two different churches in the city on Sunday before the conference started. This month we have a conference in Trujillo, PERU and then later in Monterrey, MEXICO. Later in March, we will have our annual conference in Campeche, MEXICO.

*Patricia got saved in our very first conference in Panama in 1994, and continues to live for the Lord!*

**OTHERS NOTE:**

Please pray for the Smith family who are members of our supporting church, Mountain View Baptist Church of Birmingham, Alabama. Their son who was a student at Crown College disappeared on Saturday evening. His body was found on Monday.
