Dear Rev. Blount & Church:

Greetings from the "Land of Wonder" Texas!! The saying here is "if you don't care for the weather, just wait a minute"!! It really is not that bad, just the old Texas story. God is good to take care of us in any kind of weather.

Thank you for your love for the Lord, and because of you, I'm allowed to serve Him. There is no thrill or blessing like belonging to the Lord Jesus and sharing that with others.

The Lord puts people in my path every day in various ways with whom He wishes me to share God's word with. Two young women at my bank came to church a couple of Sundays ago. They are both Christians and enjoyed the church. Today they promised to come back. One lady, whom I met in the grocery store, came and loved the church and joined. **What a blessing!** She is a lovely Christian lady. I was at a local restaurant, and a young waitress, who is lost but very concerned about her soul, took a gospel track from me and read it. She did not know how to be saved, and I'm praying continually for her salvation.

The Lord has something for each of his children to do. Whether it is witnessing for salvation, inviting people to church, or encouraging those in need.

Due to my fall a few months ago, I am still under a doctor's care. I am scheduled for a MRI scan tomorrow. I have some nerve damage and a pinched nerve that causes numbness in my feet and pain in my hips and legs. Somehow the Lord is still helping me push through to do what I am called to do.

God bless you for your continued love, prayers and support.

Love and Prayers,

Mrs. Joan (Fred) Vaught
