March & April, 2018

In our last letter, we informed you about our daughter, Christina, expecting a child that would be our third grandchild. Well, her older sister beat her out in that category. In March, Charity and her husband, Jamel, received a phone call from an adoption agency in North Carolina. They said that they had about a four month old boy that was born premature and wanted know if Charity and Jamel were interested. Absolutely! They went the next day to go get little Josiah. This is miraculous! Please understand that with this agency, Charity and Jamel had only applied to become part of the parent pool. They had not attended classes yet. They had not completed the family profile. They were not in the parent pool to be offered a child. God gave them this child. So Josiah is number three, and Christina's baby will have to settle for being fourth.

God's mercy is miraculous! He has been merciful to us on the road. We have had several meetings in Georgia and Tennessee. Two of these trips were rainy trips. One trip was a snowy trip when coming back from a meeting in Ohio. There were several cars in the medians and on shoulders, but God got us home safely. In Johnson City, TN, after finishing a morning meeting, we took our car to a car wash (still had salt on it from trip to Ohio). The manager ended up giving us a \$20 car wash at NO CHARGE. His mercies: "They are new every morning: great is thy faithfulness." Robin and I experienced that on the morning of March 17th. At 4:07am, there was a huge explosion of sound inside or around our house. Lightning had struck! No room here to describe the extent of the damage, but none of it was structural. It was all electrical. The electrical surge was so strong that it literally blew the HVAC thermostat control in the hallway OFF of the wall into its component pieces. Robin and I were unharmed, and no fire was started.

Miraculous is our Fires of Evangelism ministry. Five conferences have been conducted so far and fifteen more to go. I just got news from the host

PM Service in Veracruz, Mexico

pastor in Campeche, Mexico, that around 50 pastors attended, over 2000 people in attendance the last night, and some 300 people trusted Christ and 40 were baptized. This conference took place near the end of March, while one in Veracruz took place this last week. We have a conference in Ecuador this month and one in Guadalajara, Mexico, the first week of May.

Please pray for one of our conference speakers, Tommy Ashcraft. His wife went on to heaven this past Sunday. He will be experiencing a new "normal", needing God's grace and our prayers.
