MISSIONARIES TO JAPAN

March-April 2018

*Psalm 92:1 "It is a good thing to give thanks unto the LORD,
and to sing praises unto thy name, O most High"*

Update:

God has been so good to our family over the past few months, and we are very thankful for all He has done. We traveled for many more miles, and presented our ministry in many different churches. We are excited to report that we are now at 94% of our needed support to reach Japan. We thank the Lord for His many blessings to our family.

March was a packed month for us. We were in conferences and other meetings between California, North Carolina, and Massachusetts. We were blessed with an opportunity to present at the church that my wife's grandmother attends. Beka's grandparents were missionaries in Brazil for many years and her grandmother was excited to see the ministry that her granddaughter is a part of. Also, in March, I had the great opportunity to receive my ordination from my sending church. It was a time that I will never forget, and I am truly thankful to God for allowing me this privilege.

April was just as packed as March. God allowed us to share our ministry in Texas, South Carolina, Maryland, and Virginia. God answered many prayers for my family and me during this time, and we praise the Lord for it. I, also, had the opportunity to lead a man to the Lord at a hotel. He recently had a family pass away the night before and was about to jump in his car to go to her funeral. Before he left I was able to share the gospel with him and answer some questions he had about eternity. Praise the Lord he accepted Christ as his Savior.

Prayer Request:

My wife and I were able to finish our visa applications and they are now in Japan being processed. If you would please pray with us that the process would go smoothly and quickly. We have many other things that we are preparing before leaving for Japan. We will officially purchase tickets and set a date as soon as our applications come back from Japan. We have begun praying for God to provide our future home in Japan and the many other things that come along with moving to another country. Thank you very much for your prayers for us. We are looking forward to seeing the Lord bring in our last 6% of our needed support and getting to Japan really soon.

Striving together,

James, Rebekah, and Joshua Scott
