"Starting churches and training preachers in the Dominican Republic"

September 2018

Beloved Brethren,

By the grace of the Lord, on August 16 we celebrated 18 years of serving as missionaries in the Dominican Republic. The years have passed, and they testify that our great God has sustained us and allowed us to be productive in His work. The glory belongs to Him always for calling us to preach the Gospel to those who are in the darkness of sin.

This year the work has been very intense. Apart from all the work required by the church, several doors have been opened to preach at conferences and others Haitian churches. The Haitian Christians are very faithful to the Lord and truly enjoy listening to the preaching of the Gospel. Many of them are responding to the call of salvation. As you know, almost two million of them live here in the Dominican Republic. The Lord had allowed me to witness to them and win some of them for Christ. Glory to God!

Another blessing we received was the salvation of some of the parents of the children on our routes, like Eduardo's parents and Luis José's mother, who brought her other two children to church. Chariel also brought his mom, and his father promised me that he would come to church. Please help us pray, because all these kids get involved in playing baseball if their parents do not come to the church. Then when they grow up, we eventually lose them because they get discouraged and stop attending church. Here in the Dominican Republic, the church has to fight with the Devil and the baseball offers to keep our young people in church. It's a great victory when we win the whole family for Christ.

The new semester in our Bible college will begin the second week of September. Please pray for more students to enroll in our college. Last semester we had three new students, and all three finished the semester well. We want God to continue using us to train strong pastors and leaders for our churches.

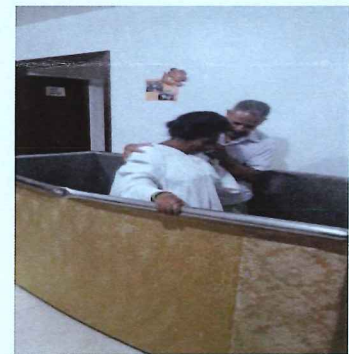

Of all the people who were saved in the last few months, Elaine and Ñaña decided to be baptized. We thank the Lord for those who have obeyed the Lord in baptism during this year.
