Dear Praying Friends,

I want to start off once again by saying thank you for all of your prayers. The Lord has been giving us great meetings and many great opportunities to minister and present the Gospel. We are excited to say that we are currently at 55% of our support! It is always such a humbling experience, and a blessing to see churches partnering with us. God has certainly used deputation to increase our faith and our overall dependence on Him. One of the greatest things about deputation has been getting to learn from many great experienced pastors around the country. As a young missionary I understand that I have much to learn, and deputation provides us with the opportunity to learn from many great men of God, who have stayed faithful for many years.

This past month has had us travelling all over the Midwest. We have spent most of our time in Missouri, and Iowa. We also made some shorter trips into Arkansas, Oklahoma, Illinois, and Nebraska. God has blessed us with safety on the roads and a great vehicle that continues to function wonderfully. It has been a blessing spending some time in Iowa, because we have been able to visit our home church a little bit. It is such a blessing for us that they have their midweek service on Thursdays. It has given us the opportunity to make it back for a couple services. It is always a blessing when we can hear Pastor Smith preach, and when we can fellowship with our church family.

We are continuing to work on learning the language of Hindi. Please continue to pray for us as we endeavor to learn this language. This month we got some children's DVDs for Lydia to start learning Hindi as well. She has really enjoyed them and they have been a great help for Hope and I as well.

We are excited as we continue on in deputation. The Lord has continued to bless us with a full schedule ahead. Please continue to pray that our support would continue to increase. We are looking forward to the day that the Lord allows us to get to India. We appreciate all of your support.

In Christ,

Casey, Hope, Lydia and Naomi Davis
