Dear Rev. Blount & Church:

Greetings in our Lord Jesus name!! I trust that all is well with you at this present time.

I am writing to say **thank you** from a most grateful heart for your continued prayers and support. Without your faithfulness, loyalty and kind hearts, I could not help others. Only our Lord knows what you mean to me. **God bless you for praying for me!**

Please continue to pray for my health. I took a fall several months ago and I am having a difficult time healing. I have not been told as of yet, that it is going to be a permanent injury. God is still in control, and I am still able to be a witness for Him. I can only praise Him for his blessings! I give our Lord all the glory for allowing me to spread His word to others. I pray daily for Christians to hold on to their faith and for lost souls to be saved. It trills my heart when I see someone, with whom I have talked to, attend Church and come to know Jesus.

I am eighty six years young (smile), and am still driving and caring for myself. I pray that your lives be fruitful until Jesus comes to take us home. God's will be done!
May our Lord's richest blessings be yours!

In Christ's Love,

Mrs. Joan Vaught
