"The history of missions is the history of answered prayer!"
Samuel Zwerner

Dear Friends & Partners;

Greetings to each of you! We hope Thanksgiving was a blessing to you, your family, and your church! We were fortunate to be able to spend time with most of our family here in the great state of Tennessee! Go Vols!

As you may recall, our insurance requires that we have annual physicals, and Sandra must have yearly cancer screenings with specific types of health care providers. Because of the nature of medical services in Bolivia, we take care of these requirements in the US with our own Doctors. To date, we are pleased to report that all has gone well with our physicals, screenings, and the tests that have been completed thus far. The biggest adjustment is that Jeff will need hearing aids. Upon learning this, Sandra said "I've been saying he needed them for years"!

Sandra also had to have a major surgical procedure performed which was done November 26th. She is doing amazingly well, but is under some pretty strict post surgical restrictions. Though we are not certain of the actual length of time it will take for her to recover, we expect that she will be limited for a while and unable to do many of the things she is accustomed to doing. She is a "doer", so please pray for her as she takes it easy and heals. We've also learned that she will need an additional procedure to reach the desired outcome of this surgery. Rather than waiting a year to get this done, we will attempt to have it completed before returning to Bolivia.

What is very comforting to us is that the work in Tarija, Bolivia is moving forward during our absence! In recent weeks, there have been people saved, baptized, and the church has added new members. Our friends, Pastor David Fuertes, and his wife, Rhina, are doing a tremendous job. Please pray for them as they help the church move forward.

Thank-you for being part of our lives and work. We love you and will keep you updated on our continuing progress! Please look us up on Facebook. Our profile is BigDaddyMissions. We keep this page updated with current news and photos.

Merry Christmas, may the Lord bless you as you serve Him! We will be praying for you and ask that your pray for us as we celebrate the birth of our Savior!
