

THE KRUCHKOW UPDATE *Missionaries to Mongolia*

All is Well at the Print Shop

Arriving back in Mongolia on February 28th, it was a great joy to see many friends and co-laborers. But the greatest joy for me was to see Togsoo, our pressman, and the print shop still producing Christian literature for the Mongolian people. God has been so good to give us Togsoo and his family. He is a great man of Christian character and does a great job running and managing the print shop while we are away.

Just as the Apostle Paul thanked God for his fellow laborers in Christ, so we also thank God for our fellow laborer and friend, Togsoo.

Update on our Travels

We had the privilege of having a Mongolian co-worker (Monkhuu) travel with us over the past five months. Monkhuu was a great blessing to us. As we traveled from church to church, (over twenty-five thousand mile and fifty-two different churches) he was able to testify and sing for the Lord. This gave the churches and pastors an added opportunity to get to know Mongolia and

the great need for the gospel in this forgotten country. Thank you Monkhuu for your sacrifice and time given to further the Gospel in your country!

Journey Back to Mongolia!

As Monkhuu and I traveled back to Mongolia on February 26th, we had a short layover in Chicago. While waiting for our next flight , we met an elderly Mongolian lady who was traveling by herself. We were on the same flights to Beijing, China and then onto Ulaanbaatar, Mongolia.

As Monkhuu talked with her we realized she spoke no English or Chinese. We decided to let her travel with us seeing Monkhuu speaks both Mongolian and English.

Over the next day and a half it was a complete joy to watch Monkhuu spend much time talking with this lady and explaining the gospel to her. She was very receptive.

Please keep this lady in your prayers as Monkhuu continues to witness to her now that they are both back in Mongolia!

A Note from our Pressman

Thank you from the Togs-Erdene Nyam-Osor family. We are so thankful to know so many are keeping our family and the print shop in your prayers.

Please continue to lift this place of God's work up in prayers as we strive to continue printing the Good News. We have spent the last several months focused on printing the Old Testament Sunday School Material. It is going good.

Please also pray for my wife who is carrying our fourth gift from God.

UPDATE ON THE BUILDING OF HOPE

We have been raising money for The Building of Hope for six months now. You can see the progress we are making on the map above. Our goal is \$700,000 and we are currently at \$76,000. What a wonderful response we have had to this great need.

We are praying that God will fill this great need quickly. We would love to be spending more time printing God's Word for these forgotten people and less time raising money.

We have a three minute video explaining the puzzle and the map. Please take time to watch this video and also consider helping with this great need.

The video can be found at:

Pray With Us About A Digital Press!

It has become obvious to us that we need a digital press. We have a high demand for short run literature like Bible college curriculum, educational material, commentaries, etc. These materials are printed in runs of fewer than one hundred pieces. To make this cost effective we need a digital press.

If you are interested in helping with this need, please email me at: batamissioninternational@gmail.com. The price for the equipment and supplies is ten thousand dollars. Your help is needed.
