Dear Rev. Blount & Church:

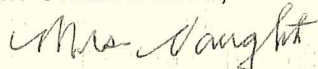

Greetings to you!!! I am so blessed to write to you. I praise our Lord for you and yours. I also praise our Lord for your love for Him and His work. I can't thank you enough for making it possible for me to serve Him.

I am writing you to let you know I am currently living at Heartis Assisted Living. I fell on New Year's Eve and fractured my lower back. It wasn't as severe as it could have been, but it was determined that I could no longer live alone. After going to the hospital, I was then placed in rehab for a month. Even though I was in much pain, the Lord allowed me to witness to several of the staff members. I asked the Lord "Why am I here?" He spoke to my heart to keep "serving Him". I have been able to witness to Doctors, Nurses, Nurses Aides and X-Ray Technicians. I knew this is why I was here, and I believe in **Romans 8:28 ALL things work together**. As the saying goes, "everything happens for a reason".

Now that I am all settled in at Heartis, I have so many people around me that I can be a witness to. I have met several friends. On Sunday, there are those that come from Worth Baptist in Fort Worth to visit and sing. I look so forward to this. I am still a member at Victory Baptist Church in Weatherford. I also have the same mailing address as always, P.O. Box 1358 Weatherford, Tx 76086.

Thank you again for being such a blessing in mine and Fred's lives. Because of you and your support, I can continue to serve Jesus until He decides to take me home.

In Christ's Love,

Mrs. Joan (Fred) Vaught
