

Victory Baptist Church
Building Families by the Book

February 26, 2019

Dear Brethren,

I am writing on behalf of Mrs. Joan Vaught. I have been her pastor for many years and she has been a great asset to our church. Even in her latter years and limited physical abilities, she continues to share the Gospel with everyone she meets and is a great example of Christian womanhood.

She has just recently moved to an assisted living home. It was, of course, a very difficult decision and adjustment for her, but she continues to touch people with the Gospel.

We will continue to support her financially as we always have and I am asking that you might prayerfully consider doing the same. She is more than worthy. I am sure you know or have heard of the extremely high expenses of assisted living.

She would not ask and that is why I am writing as her Pastor.

I believe God will bless any church who honors the wife of a godly preacher such as Bro. Fred Vaught.

Thank you for whatever God leads you to do.

In His Wonderful Name,
