Dear Rev. Blount & Church:

Greetings from Arlington Texas!! I hope this letter finds you and your loved ones doing well.

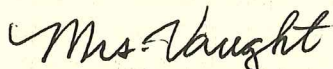

Thank you for your love and support. I treasure your faithfulness and every time you lift my name up in prayer. I could not survive without what you do for me.

I am now all settled in at my new home, Heartis Assisted Living. I have met some incredible people here, who are Christians. I am blessed to be able to talk to them about our Lord. My heart's desire is to be used and be a blessing to those with whom I am in contact with. I know God has me here to continue to spread the Gospel and witness to those who are lost. God allows for things to happen in our lives that we have no control over. I trust in Him and know He still has a plan for me and my life.

There are over a hundred residents here, so this is a mission field. There are so many here who honor the Lord. On several occasions, some of the attendants, nurses and facility employees stop what they are doing just to say hello, visit and pray with me.

Please continue to pray for me so that I can be a blessing to those around me. Also please pray that I can be strengthened to help them any way that I can and that my life can be fruitful. **There is power in prayer!!!** Thank you again for everything that you do for me. I sincerely appreciate it and may God bless you.

Sincerely,

Mrs: Joan (Fred) Vaught
