He shall grow like a cedar in Lebanon (ps 92:12)*

Dear praying Friends

“It is of the LORD’S mercies that we are consumed, because his compassions fail not. They are new every morning: great is thy faithfulness. Lam. 3:22-23.

Ministry:

Praise the Lord, He had blessed us with a new wonderful place that we can praise Him. We are so happy to see many new people in our new place.

We had an exciting summer, full of conferences for adults and children. We are so happy to see many people getting saved and attending our church. We have Iraqis and Syrian Refugees which they flee from their country because of war. Those refugees are in need have shelter and food we try to help them. **Friends, the need is so great, we covet your help in this matter if you can help.**

We baptized three people and one of them was our daughter Abigail. We had four night festival in our village, we are passing many bibles, tracts and evangelizing.

As you know we have children ministry, about 35 children that we minister to every Saturday. They are learning new things about The Lord Jesus Christ and most of them are Muslims.

Our Sunday evening services are doing great. We have new families coming every Sunday to worship the Lord.

We are reaching in our ministry many Muslims and we covet your prayers for those beloved people who are facing difficulties and persecution from their families and relatives. And please pray for us as we are serving among them. Our daughters Abigail and Annabell are helping us a lot in the ministry, Abigail is playing the piano and Annabell is ministering in sound and media system. We had a wonderful day with a Korean grope of Doctor came to our church last month to help the refugees with many health problems.

The situation in Lebanon is very difficult now. There are many refugees in Lebanon because of the war in the Middle East, and that affected the economic and life in Lebanon. Lebanese people are suffering in many areas in life. Please pray for this problem to be solved and those refugees return to their country safety.

Thank you for your support and your prayers especially in this time. Please continue praying for our financial support because we lack more support. If you can help send your funds to our mission board. Thank you again, May the Lord bless you.

We are planning to come to the States this coming summer at the beginning of July 2020 on furlough, so please pray that the Lord will provide the funds that we need to serve in Lebanon.

If you want us to schedule a meeting please e-mail or contact us soon as possible.
