

Dear Fellow Labour in Christ,

Friend, we are writing to you with Good News from the far away land of Mongolia, nestled between the countries of China and Russia. A dark place with a history of deep-seated spiritual bondage. A place of no hope. Thankfully we have **GOOD NEWS**.

For the past forty-five years our ministry of bringing hope through the printed Word of God has brought us to many corners of the world. Thirteen years ago God brought us to the country of Mongolia. After arriving in this country we began to **see immediately the dire need for God's Word!**

We can bring to you the endless list of heart-breaking stories such as:

- ☞ the homeless drunk outside our gate with no legs
- ☞ a man so terribly crippled and orphaned as a young child
- ☞ the teenage girl whose mother left her to raise her younger brothers
- ☞ the Mongolian family who lost everything in a fire
- ☞ poverty in all directions
- ☞ air pollution that is causing great health issues
- ☞ the young family whose baby died, and were told by the Lama that in order to rid their home of evil they must tie the baby to a rope and take it out across the desert on a horse until the baby disintegrates
- ☞ three children whose mother died weeks after their father had fallen through the frozen lake and drowned, leaving these three to join the 25,000 orphaned street children
- ☞ losing our print shop building due to an unforeseen situation
(a list that could keep you reading for a very long time!)

THIS WAS NOT THE NEWS WE WANTED TO SHARE WITH YOU!!

WE HAVE STORIES OF GOOD NEWS!

Stories of God's grace, God's mercy, God's provision, God's protection and a story of PUBLISHING!

- ❖ Late 2016 began a move into a new building—a struggle we would soon understand was a blessing!
- ❖ A Mongolian pastor's wife whose dream to have a good Bible in her language comes true.
- ❖ A homeless Christian man has a clean place to sleep
- ❖ A place to call home for young Mongolian Bible students
- ❖ Place of employment for Mongolians
- ❖ During 2017, even when settling into the new location, we saw over 2 million impressions
- ❖ 2017 the printing of the New Testament for the first time in the country of Mongolia
- ❖ A place where more than 60 volunteers would come together to assemble Bibles (So exciting!)
- ❖ A building to house more the 200 individuals/mission teams as they shared God's Word last year
- ❖ Housing a Bible Institute for a closed country as they study God's Word before returning to their country
- ❖ Long term housing for missionaries living in Ulaanbaatar
- ❖ A building that has housed more the 30 missionary families that came in from the countryside to rest, gather needed supplies and receive needed medical care.
- ❖ A safe place for church activities allowing plenty of room for fellowships
- ❖ A place of coming together for prayer meetings
- ❖ Amazing Grace Weekly Bible Study----A place for the children while the parents are learning.
(This list also could go on for a very long time, God continues to make a way)

This place is a BUILDING of HOPE!

Where missionaries and churches are finding their way to getting their needed help and supplies to aid in the spreading of God's Word. This is our story of Hope and Salvation!

We have been informed that the **owner of this facility must sell the building**, which we have been managing for the past three years and that does **create a big problem for us!** Thankfully it is not too big for our mighty God!

The good news is this building, since day one, has paid its own staff, taxes, utilities etc. This is a rare find on the mission field. Thus allowing the operational funds for this ministry to be generated on the field! The goal for this building is to equip the national churches with tools for the advancement of the Gospel, rather than setting up a ministry that can only thrive with the presence of outside funds.

We are currently in the process of raising the needed funds for this property, we need your help to make this a reality. You can help secure this Building of Hope. **Your support is key to solving this problem.**

We have a man from America that has designed a 3D picture puzzle of Mongolia. The seven hundred-piece puzzle is made of camel hair felt. **For every \$1,000** any company, church, or individual donates **one piece of the puzzle will have their name engraved on it!** When the puzzle is completed it will be mounted in the hallway of this Building of Hope. *We would love to put your name on this Mongolian puzzle!*

URGENT NEWS. As of May, 2019 this building and property **is list on the market for sale.** First one with the money will get the building. **This makes your help so much more important.** **We need \$450,000 more to secure this building.**

There is no greater JOY then making a difference for the cause of Christ! Lives are being changed for eternity! **Your support is key to solving this problem.** Please prayerfully consider helping with the purchase of this Building of Hope. You will find a video link below with a few highlights of what God is doing here in Mongolia! The last three minutes will show pictures of the Building of Hope.

Donations: Make all checks payable to: BATA and send to: PO Box 815 Crab Orchard, WV 25801. Please write Mongolia in the memo. Thank you for your love and concern for these forgotten people.

As of June 1, 2019 \$84,000 in donations have come in. Please pray with us in regard to this most urgent need.
