REACHING
THE WHOLE WORLD
THROUGH
HUNGARY

Dear Friends,

We are very glad to report to you all as we serve a **wonderful, faithful God** who keeps His Word and carefully keeps His promises.

Our boys took up summer student employment in Hungary and did wonderful jobs. Daniel worked for Ryanair (an economy airline in Europe). They liked him so much that they wanted to keep him 😊. Mark worked in an insulation factory where he was called "the best student employee".

As we mentioned in our last letter, we prepared for the **next phase** of our deputation ministry. In July and in August we put in some extra effort to this end. **By God's grace** we reached 67% of our needed support and we are working on the remaining 33%. Please pray for us, we would like to **complete what we started!**

In September we got to meet some of God's choice servants as we **visited churches to present our ministry**. Through these meetings we were encouraged, challenged a great deal! As a special gift the Lord allowed us to meet good Christian folks who would open their homes for us to stay and even invite us to their tables to feed the wayfarers. What a blessing!

We were also able to **minister** to folks which always blesses our hearts. A dear pastor told to his church following our ministry presentation that *"...this is exactly what we needed today!"*. Also, a young man came up to me after a service to tell me that God is working on his heart for a while about becoming involved in an inmate reintegration ministry! He thanked me for coming. **Praise goes to our Lord**, only He can orchestrate meetings like that!

About two weeks ago my precious Doctor friend called me just to inform me that **the door** to minister in two brand new Prisons in Eastern Hungary **is still open** when the Institutes become operational!

Please continue to keep us in your prayers!
