

THE ROUSE REPORT

REVELLINGS IN THE WORKING OF GOD

September & October, 2019

Is not the Lord worthy of P R A I S E?! He is amazing! Fires of Evangelism had three conferences in August. The first was in San Luis Potosi, Mexico. Over 3000 were in attendance, 240 pastors came, 35 souls received Christ as Savior during the week, and 92 brethren surrendered their lives to serve the Lord in full-time service! Most of

the messages worked on changing the spirit and attitude of pastors towards oneness instead of divisiveness while maintaining doctrinal purity. One pastor commented to me, "God showed me things I should be doing that I don't and things that I should NOT be doing, but I am. He caused me to see some things in a way that I have never before. I am greatly blessed and challenged."

Belize was the next one. Fifteen pastors attended, and we saw fifteen people get saved. One pastor from Chetumal was really impacted. He said that he was motivated, encouraged, and challenged to continue in the work of the Lord. This is one result we have seen over and over: that pastors, who are about to quit the ministry, come to the conference, and God does something special in their hearts and minds to keep on keeping on.

The week after the Belize conference, we had our first ever conference in the Philippines in Muntinlupa City. Around 250 pastors came, and God did something special that week. Not only did thirteen people surrender their lives to serve the Lord in full-time service, but God spoke to hearts. One senior pastor said that he has attended conferences throughout the years

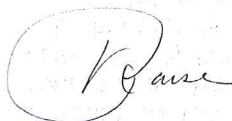

"waiting": waiting to see a conference where the Holy Spirit of God moved among the people. That pastor said, "This is that one conference for which I waited." The hosting pastor, Bro. Jose Conui, communicated to me, "Few times I wept Bro. Rouse for the beauty and power of the Word of God preached by the Fires of Evangelism team. Thank you very, very much. The Fire is still burning within us and the light shines in the field!!!"

Please pray for the upcoming conferences. In October, we have Bolivia and Honduras, in which I will be participating. Then follows Torreon and Oaxaca. Both of these are in Mexico.

Please pray about helping me get a pastor in Bolivia to come to our very special conference in Indiana in June 2020. There are some things that he needs to get and be exposed to that he can only get in this conference. Praise the Lord for those who have already helped. Send your donation (12 churches @ \$100 each will go a long way) to BIO to my work account #7660 and designated as "Bolivia".

This special conference is to connect today's pastors to the historical beginning and vision of Fires of Evangelism. One booklet God used to start that has been out of print for over 20 years. I would like to bring it back for this conference and give a copy to each Spanish pastor that attends. YOU can help me get this project started and secure the licensing. If 50 folks or churches would send to my work account #7660 just \$10, the project will be off and running. Send it designated as "Multiply". Remember that your gift is an investment in eternity.

Humbly your servants for His sake,

Victor & Robin Rouse

*Thank you so very
much for your faithfulness*
