Thank you for your faithful prayers and support. Through your partnership with us, the Lord has used us to minister to missionaries and to local churches alike. We praise the Lord for you!

Missionaries—We praise the Lord for the new missionaries that have joined BIO. One of these missionaries is my daughter, Amber. She has started her deputation ministry. Please pray for her, and if you would like to schedule Amber to present her ministry at your church, please contact her via email: amber@hope4thehopeless.net.

Meetings—We praise the Lord for His blessings and travel mercies. We were blessed to minister all day one Sunday at a church in Georgia. Also, I preached a Back to School Revival in Fremont, Ohio. Out of the nine times I was given to preach in Ohio, five of those occasions were with the students at the Christian school. Pray with us that God would call some of these students into missions.

Missions—We traveled to South Dakota to minister to our missionaries on the Rosebud Reservation. Our hearts were broken for native people. They are in terrible bondage, being enslaved by drugs, alcohol and their native traditions. The Catholic church exacerbates this bondage through syncretism. Please pray for our missionaries as they

“...bind up the brokenhearted and proclaim liberty to the captives.” We are thankful for the opportunity that I had to preach at White River Bible Baptist Church while we were in South Dakota.

Ministry—This month we will be at Pensacola Christian College for the Campus Church missions conference. Please pray that the Lord will use us to encourage the students in missions.

On November 6-7 we will hold our annual BIO fall meeting at Faith Baptist Church in Pikeville, Tennessee. Missionary James George of GAP Missions will be our main speaker. For more information about the meeting go to www.biomeetings.org. We would love to see you there!

I am making plans to go to Haiti in December. I have been invited to preach at a conference hosted by one of our missionaries. Haiti is experiencing significant unrest due to fuel shortages. Please pray that Haiti will experience peace, and pray that the Lord will go before me and bless my time in this needy country.
