Dear family in Christ,

Sowing and Reaping

Gal 6:6-8 Let him that is taught in the word communicate unto him that teacheth in all good things. 7 Be not deceived; God is not mocked: for whatsoever a man soweth, that shall he also reap. 8 For he that soweth to his flesh shall of the flesh reap corruption; but he that soweth to the Spirit shall of the Spirit reap life everlasting.

Richard P. and I held a three day revival at the Women's Probation Detention Center in Claxton, Ga (the fruitcake capital of America). It was my first prison revival since my shoulder surgery, and all went well. The ladies were urged to earn a Rock of Ages study Bible by bringing out the most visitors to our closing meeting on Sunday night. Twenty-one ladies sowed some time and effort into bringing out a total of 72 first-time visitors that night. We were ecstatic when 10 of the 72 inmates made profession of faith in Christ! What a reaping! How would you feel if you sowed some time and effort into bringing a visitor to a service at your church, and that visitor made profession of faith? Sow a little time and effort, and reap an eternal soul. Twenty-one ladies signed up to attempt to earn a Bible, and all 21 ladies reaped one (Bible). Some of the 21 also reaped one or more eternal souls to their account because someone they invited came and was saved. God is good all the time!

I had a setback two days after my rotator cuff surgery. On August 1, Linda took me to the ER. I was experiencing shortness of breath to the point that I thought I was smothering. A CT scan revealed that I had thrown two Pulmonary Embolisms (blood clots) into my left lung, a very dangerous situation, but God spared my life, and I am back doing what I love to do, bless His holy Name! I will be on blood thinner medication for the rest of my earthly life since the doctors say I have naturally thick blood (and maybe a thick skull as well). Also, I'm doing physical therapy on my shoulder, and am starting to get much better range of motion, praise the Lord. I can now tie my own shoes, and my own ties! I'll be in a sling for a total of ten weeks, but I'll still be able to do my prison work.

I'm scheduled to be in the coastal city of Savannah, GA area on September 3rd, for a three day revival at Montgomery State Prison. That is the very day that Hurricane Dorian is supposed to hit Florida. Should it turn northward, we could be in for some trouble. We are praying that the meeting will not be hindered in any way.

We remain in Christ's Intensive Care,

Received \$121.00. Thank you.
