AND THEIR FAMILIES

Dear Pastor Blount and Church Family:

Greetings in THAT NAME which is above every name from beautiful Chattanooga, Tennessee, the Scenic City of the South. We trust that all is going well with you as you continue to serve our LORD there in your labor of love. We wish for you the good fortune that the snow will not soon cover you.

I wanted to write a quick note and say thank you for allowing Joyce and me the privilege of having a part in your Annual Missions Conference Revival earlier this month. As always, it is a blessing, a joy, and an honor to be with you, your family, and your church folks again. This is one of our favorite places to go and minister. We have learned to dearly love all of you folks at Lighthouse. Thank you for being our friend and for being so kind to us. We seriously cherish that friendship.

We have reflected since the meeting upon the conference and believe it was one of the best we have had at Lighthouse. We trust that many victories were won in the lives of God's people. Our prayer is that your Faith Promise goals were met and that it will faithfully come in through the year. You took a great step of faith at the conclusion service by taking on the missionaries and giving the money for the missions project in Venezuela. We both know that *faith always honors God and that God always honors faith.*

Thanks again for everything, including the comfortable accommodations, the delicious meals, the very, very generous love offering given to our ministry and, of course, the wonderful fellowship we had with you all. You have been faithful to support our military ministry for some 25 years and we want you to know that we do not take that for granted. We are, indeed, grateful. This is my 35th year in Military Missions and it has been a wonderful journey. Many souls have been saved, many lives have been changed, and many victories won. Lighthouse has shared in it all for some 25 years.

Thank you also for the part that you are having in helping the project of the struggling church in Baumholder, Germany. With your help and with help from others, the church will be spared and will continue reaching the military community.

May God richly bless you as you continue serving our wonderful LORD there where He has placed you. Please know that we love you and remain...

In Christ's Service,

Jeff & Joyce Alverson
