

May 2019 Phelps Family Update

Dear Churches, Supporters, Prayer Partners and Friends,

We apologize on the delay of this update. Ministry has been busy and that we are grateful. We are grateful that school is almost over for the summer and the opportunities that will take place for ministry. We are blessed for the good health that the Lord has given our family. Hard to believe that our middle daughter will be graduating Kindergarten in a couple weeks. Please continue to pray for several exciting opportunities we are working towards and that God will make His will clear to us.

March and April 2019 Conferences

We are so grateful for the two conferences that we held in March (Camp CoBeAc) and April (Indianapolis). We had two great groups each time. Hearts were open and we are working on more future opportunities at Camp CoBeAc. We have also been able to add a few more couples and individuals to work with and help through their struggles. We are also in the process of adding more PTSD support groups. We have been able to lead a first responders group that meets twice a month in the Indianapolis area..

Paul's Ordination: April 13-14, 2019

We couldn't be more pleased that the Lord brought us through Paul's ordination a few weeks ago. The Lord has blessed us with a

Pastor who took time out of his busy schedule to work with Paul each and every week for the last year or more. Pastor guided him and helped prepare him for this next step in ministry.

We are also grateful for the encouragement, support, guidance, and help from our friends and family who came to be a part of this special moment. The challenge from God's Word the day of Paul's Ordination from Pastor Gorton (WI) was just what we needed. The Lord knows just the people we need to encourage us and just what we need to hear in these moments of ministry.

Upcoming Opportunities and Prayer Requests

Please pray with us as we work towards some exciting opportunities for our ministry. Pray that the Lord would give us wisdom and clarity and direction. We continuously see His hand in this ministry and we are excited for what He is going to continue to do.

Some prayer requests that we have are that the Lord will continue to bless us with good health, for safety on the roads and in the air, for the PTSD groups that are being formed, for those individuals we are working with each week, and for more opportunities to meet with others who are struggling with PTSD and share the love of Christ with them.

Paul, Sarah, Alyssa, Anna, Alexandra, and Ava Phelps
