

## Phelps Family Ministry Update December 2018

**MERRY**  
*Christmas!*

Dear Churches, Supporters, and Praying  
Friends,

It is hard to believe that Christmas is already

here. The Lord has truly blessed us and our ministry. It has been neat to sit back and watch the ministry unfold and the puzzle pieces fall into place as we wrap up another year of ministry. Some of the highlights of ministry this year include: holding a conference at our home church in Indianapolis, a trip back to Las Vegas to hold a conference, a camp in Wisconsin, a camp in Louisiana, a camp in New Hampshire, hundreds of hours on the phone and in person counseling those who needed help, stopped more than 20 suicides, more than 15 accepted Christ as their personal Savior, more than a hundred have made life changing decisions including those who struggled with addictions, marriages rescued, and victory through depression. These highlights are only possible through God's help. He is the only one who can heal a broken heart.

We are looking forward to another year of ministry holding camps, conferences at churches, heading to Ukraine to minister, and pursue the opportunity of opening up a camp in Indiana for those dealing with the effects of PTSD.

Our ministry would not be possible without the help of our Lord and Savior Jesus Christ, the financial support we receive each month from our supporters, the many prayers and the messages of encouragement from so many. We count it a real honor to represent you as we seek to continue this work that the Lord has directed us to. We pray that you each have a Merry Christmas with friends

and family and a time to reflect on the true meaning of Christmas.

Paul, Sarah, Alyssa, Anna, Alexandra, and Ava Phelps
