

# Cambodian Chronicle

*Ecclesiastes 9:10* *Whatever thy hand findeth to do, do it with thy might; for there is no work, nor device, nor knowledge, nor wisdom, in the grave, whither thou goest.*

Dear Praying Friends,

There is never a shortage of things to be done in the ministry here in Cambodia. Add a couple of special visitors and Christmas to the mix, and we are finding much to be done with all our might.

We had a great time with Becky's dad, as he was here for a four week visit. On his first Sunday here, New Hope Baptist Church had over 70 visitors attend the Christmas program. Pastor Sakaun preached a great message. Pray as we follow up on these prospects.

We took Dad to visit Pastor Proh and Liberty Baptist Church on his second Sunday. It is a blessing to see that church continuing to strive forward for Christ.

The third weekend that Dad was here, New Hope Baptist Church broke ground for the construction of their very first building. This construction project has been a long time coming. We are so excited that it is finally underway! We are praying that God would be glorified, that our people would grow stronger, and that it would enable us to reach more people for Christ.

On Dad's fourth weekend here, I traveled to Kampot province where I do my best to encourage Pastor Tho in the good work he is doing there. While there, Pastor Tho and I led Siina and Sarorn to Christ. Siina is in her 50's, and Sarorn is about 20 years old but blind from a surgery that took place a couple of years ago.

A few days later, Dad taught a special session of Bible Institute. About 35 people came to learn how to study the Bible.

Exactly three days after Dad left, our son Blake came for a 5 week visit. Three days into Blake's visit, I, Rodney, took a 10 day trip to Ghana, West Africa. What a great treat to see a family from our our home church doing a great work for Christ there.

When I returned to Cambodia, I had the opportunity to glean from some of the knowledge that my son gained while at college, specifically in the area of videography, video editing, and websites. He is no expert, but he knows much more than myself. Blake also spent some time teaching one of our young men the basics. Lord willing, we will be able to grow in our ability to evangelize through videos. Thank you Blake for all your help.

In His Service,

*Rodney Ruppel*
