Dear Pastor,

I wanted to write you a personal letter of gratitude for your financial gift to our Baumholder project. Grace Baptist Church in Baumholder, Germany, would have certainly closed if we had not stepped in when we did. Your gift has helped us pay the rent on this building and keep the lights on for the last several months. We have had two different men who have given their time at their own expense to go and serve as Interim Pastor, which has been a tremendous blessing. About two weeks ago, Brother Joe Passaro, who has been with Baptist International Missions, Inc. (BIMI), for a number of years, moved to Baumholder and the church has asked him to be the pastor. Please be praying that many soldiers will come to Christ through this wonderful ministry.

When we asked folks to give to this need, we had obligated ourselves to pay the rent each month through August 2020. As of this month, we have seen sufficient funds come in to meet that goal. I want to thank our Heavenly Father for accomplishing this goal ahead of schedule. I also want to thank you for your wonderful and very timely gift.

If you would like to support the military ministry at BIMI on an ongoing basis, you may contact me, or our Business Office staff, or by going online to [www.bimi.org](http://www.bimi.org). The ministry fund account is #642 and is used to further our church planting efforts to the military around the globe. There is so much work to do and the time is drawing near for our Lord's return. Help us reach these men and women wearing the uniform of this great country while their hearts are tender and their need is great! May your gifts and labors yield much fruit and reward!

Very Respectfully,

Bryan Baggett
