HUNGARY

Dear Friends,

Greetings in the name that is above every name! Our family would like to wish a prosperous and blessed new year to all of our friends!

As I mentioned in my previous letter, we kept ourselves busy in the Debrecen Prison during the course of December and January **to maintain this open door** even during our Deputation Ministry. I counted altogether **seven inmates** whom I prayed with to **receive the Lord as their Savior!** The Lord gave some attentive, well behaving inmates, needless to say I truly enjoyed the opportunity to teach and preach. On top I found out that four inmates (who just started to attend our meetings) are on the Prison's **suicide watch list**. I counseled and helped people before who were suicidal, and I continue to have a **burden to help** those who contemplate to end their lives. Please pray for this aspect of our ministry, sadly **Hungary has bad statistics on suicide.**

Beya designed a Hungarian Christmas greeting card that includes a **clear Gospel message**. We used it around Christmas, and it was well received! Due to her experience on this field we plan on **producing more** creative Gospel literature to reach the lost. Currently she and Nelly just finished the **translation** of Pastor Mike Ray's Gospel **cartoon script** titled '*José got the answer right!*'. Please pray that we could completely finish this project with the actual voice recordings included!

The Lord gave our family a very **peaceful Christmas** which we truly appreciated and enjoyed! **We are thankful to each one of you who sent us a Christmas gift!!**

As the new year rolled around, we realized that by God's grace our support **exceeded 73%! We are very thankful** for every church and individual who decided to support us! Please, pray as I return to the States in late February to finish the remaining amount so we could reach our financial goal!
