Dear Rev. Blount & Church:

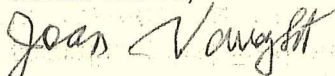

Greetings from my home in Arlington, Texas!!! My best wishes for you and your families! I pray for your safety, health and God to bless your life. I trust that all is well with you, your families and your church.

I write to you with a humble heart and much thanks for your continued support. God has greatly blessed me because of your love. Only He knows the needs of His children and never fails to supply. Thank you for your faithfulness to Him for my sake.

I miss my husband, Fred, so much. I know that he is with Jesus. God reminds me daily of something that Fred preached or said. I know that he would be pleased that I am able to witness daily and share some of those thoughts and scriptures along with my own testimony of God's grace. Fred has been in Heaven nine years this month, March 10th. Even in his absence, I find great joy in knowing that he is well and safe with our Lord Jesus and that we have the assurance of seeing each other again.

It breaks my heart that there are so many people everywhere that do not have any idea how to be saved. It is truly a great blessing when they are so open to hearing about the Gospel. There are so many who are wanting to know how to go to Heaven. Thank you for helping me be as diligent as possible for our Lord. **Thank you from the bottom of my heart!** Please continue to pray for those that I meet here, that I may be testimony for our Lord.

In Jesus Name,

Mrs. Joan (Fred) Vaught
