## Deputation Again

We were blessed with *three* meetings this month of June. Three meetings is certainly less than we prefer, but is more than we had in May! Thankfully, more and more churches are starting to open. We have several meetings scheduled for July and we have just a few openings left in August.

Please pray for us as we continue to book meetings. Pray that we would be able to keep the meetings that we do have this year and that we would be able to fill up the openings that we have left. My hope is that we will have 2021 completely booked by this October.

We were glad to be part of a mission conference at a Spanish church in Alabama. We were certainly blessed by the fellowship with the people there and also by their hospitality. I was happy to have the opportunity to preach in Spanish and am looking forward to being able to do that in Honduras, for it is by the preaching of the Word of God that men hear the gospel and may call on the name of the Lord to be saved.

### Visiting Amber's family

We were able to make a trip to see Amber's family for her father's birthday and her sister's baby shower in June. With the life we lead, any time to be with family is a blessing, and we don't take it for granted, so we were thankful to be able to see them for a short time. We were also able to be with the church there for a midweek service, worship with them, and share an update about the (unusual) last few months of our deputation.

### **Trip to Mississippi**

Just this week, we saw Mississippi twice. We were blessed with three meetings there (Sunday, and Wednesday) and enjoyed presenting our ministry and hearing good preaching from the men of God in those churches. Please remember to pray that God would bless them and other churches around the country as they continue to make whatever adjustments they need to make as they strive to do the work of the Lord.

### **Praising the Lord**

Some of you may have already heard that Pastor Austin Gardner of Vision Baptist Church contracted Covid 19. He was in the hospital on a ventilator for a few weeks. God has blessed in his recovery and he has been at home now for a couple of weeks. We were able to see him recently and were amazed at what God has done. Please pray that he would make a speedy full recovery so that he can get back to doing what God has equipped him to do: reaching the world in our generation by the preaching of the Word and sending out missionaries.

As always, we are very thankful for your love and prayers. May God bless each of you. In Christ,

- The Garcias
