## January-March 2020

He That Findeth his life shall lose it: and he that loseth his life for my sake shall find it.  
Matthew 10:39

### Dear Partners in the Ministry,

I, and Gwen have hold on to these verses over the years as we follow the leadership of God in our lives. This verse is always reminding us that we have to follow Him whatever it takes. Sometimes, even if it causes our own life.

January was an amazing start for all us. as we remember the goodness of God in our lives last year. as we continue to serve the Lord in this area for 10 years now. We have been through a lot of tough times while fulfilling the great commission but with God not giving up on us, it's worth it all & is already a blessing. Our theme for this month of January, is "Lord Teach us to PRAY." It was a great time of revival for all of us over here, there is a saying that one week without prayer makes one WEAK. Oh how we felt the presence of God in our services during that time. as my wife sang a song one Sunday morning and it was a big blessing, the title of the song is tears are a language that God understands. Truly there is power in prayer until we can really know the essence of it in our Christian life.

February we opened up another new Bible Study to another village, which is 40 minutes away from us. during that time we had 9 people attended for the first time and we had several professions of faith, over the course of the month. We are so thrilled with what God is doing in our new bible study and we are looking forward to many more souls coming to salvation through the ministry here. We also baptized 8 People. Also this month, an unexpected volcano eruption devastated a lot of families not very far from us. thousands of people was stranded in evacuation centers for weeks some of them are for a month or more. thank you to those who have helped during this time of need because we are able to helped out in this kind of situation by distributing food packs, bibles and was able share the Gospel to them.

March we continue and will never give up doing the Children's and feeding ministry. because the Bible says in Matthew 19:14 Suffer little children, and forbid them not, to come unto me for of such is the kingdom of heaven. It is our routine to feed 112 kids every week. It is not an easy task performing it through the years, but every time we see them learning from the word of God, we believe that this is the right thing to do. because we are planting the seeds of the word into the hearts of this little children. Someday we may not know who will be the next missionary Sunday school teacher, evangelists, preachers and etc. But at least someone cared for them and help them in such a way. financially or in prayers. Thank you. because you all have a part on that. I know that we are all in these trying times of our Faith, because of this Covid-19 virus. But Let us remember that God is always on the throne. And He alone controls everything. We just need to be faithful and be committed to the things that God hath entrusted to us, particularly in fulfilling the Great commission of the Lord Jesus Christ! Thank you again, for your Prayers and monthly financial support. We are here in the mission field because of God and because of the Faithfulness of God's People like you. May the Lord continue to Bless you all! Until then.

In HIS CARE,

Brother Darwin Tolibas & Family
