April-June 2020

Dear Praying Friends,

Greetings to all of you in the name of our Lord and Savior Jesus Christ! We just wanted to give you all a quick update of the ministry here in the Philippines. **April** is a big challenge of our Faith to Christ and to All of our folks here. since the start of the Pandemic, everything is shutdown. All land, sea and air travel are restricted. Restaurants can do take out in the city but no dine-in. Only one person is allowed out a time, and you have to carry a slip from your local elected official to prove where you live. Police patrol the streets and armed military personnel guard the vehicle checkpoints. Month of **May** is getting worst, since the the lockdown is taking longer the farmers and the fisherman cannot go to work because that is the main livelihood over here.it means no food. Thank you to some of the churches that prayed for us and sent some funds to help out. With your help we were able to give some relief to less fortunate families. Most of their children attends our church every Sunday. the blessing is even though our community was in the quarantine lockdown we can still teach and conduct the children's and feeding ministry, but only limited to a certain time, and we need to put a facemask every time we teach. Its just a little harder this time for us teachers, because its humid and the same time the mask is kinda suffocating. but we have no choice and just be thankful because we can still plant the seed of the Word of God to these little children. Another good news in this lockdown is we have led many front liners to the Lord these month of May. truly the Gospel is powerful! **June** the local government finally, lift the quarantine.it means that everyone can go out and practice the new normal by wearing a mask all the time.as of now we are still praying that they will also lift the church gatherings so all of our folks can comeback to church and worship the Lord together in one place. Right now while its not yet allowed here in our country that people can go to church we are doing an online church service through facebook live, And conducting house to house bible study everyday and praying for them. We also continue giving out relief goods and bags of rice, as long as the Lord provides. Because majority of them till now, do not have money to buy food. If you can still give we will appreciate it. We are praying to buy 50-100 sacks of rice this June-July to give out to our people. We are praying for churches or individuals that can help us a **one-time love gift toward our Rice Fund of \$50.00 or any amount.** I believe this goodwill to man will not return void and it will strengthen their Faith in God knowing that there are Christians from another country extending their faithfulness to the Lord in spite of these hard situation. Again Thank you so much in advance. We appreciate your prayers and Financial Support. Without your help, many souls would not have been won here in the Philippines. We love you all and we keep youin our hearts and daily Prayers.

In HIS CARE,

Brother Darwin Tolibas & Family
